News from your family at Richardton Health Center in Richardton

Honoring our family

Thanks to everyone who came to our family picnic, and for your patience with us moving it inside due to the forecasted weather! Due to those changes, everyone wasn't able to hear the Lifetime Achievement Awards as they were read. So, there is a book available at the Richardton Health Center to look through if you would like to read them!

It is so great to learn about all of the amazing things our residents have done, the obstacles they have overcome and to see the smiles on their face as they are recognized for their achievements. That can't be beat!

In September, we took a trip to the Dakota Zoo in Bismarck, where we enjoyed a McDonald's picnic and loved seeing all the animals!

A group went to Garrison for the annual Senior Fishing Day at the Fish Hatchery. We didn't get any bites, but we still had a good time. We had a picnic lunch and enjoyed the drive with the colors changing outside! We also enjoyed ice cream on the way home!

Sincerely, Jessi Schmidt, activities director

It was fun to gather family for our Lifetime Achievement Awards. Residents enjoyed the nice weather and dropped a line during the annual Senior Fishing Day.
